

## Vale District Baker Recreation

### Copper Creek

Copper Creek is located on Hell's Canyon Reservoir, a 25-mile long reservoir surrounded on either side by steep basalt cliffs that level out to be ponderosa pine forests on top. At Copper Creek, trail 1890 accesses Hell's Canyon National Recreation Area and Wilderness as it winds along Hell's Canyon

Reservoir. Many trails lead off 1890 up drainages to mid-ridge benches with amazing views.

Copper Creek is a great place to take the family for a weekend or just for a day on the water. It has large sites and lots of parking. Hell's Canyon Reservoir is excellent for jet

skiing, water skiing, and many other water sports.
